

Office Methods and Data Management

E-mail Records and Electronically Stored Information

Any e-mails that constitute a record under District Policy and Regulation 6531 or otherwise should be retained for the benefit of the District and therefore must be saved for an extended period of time to exceed one month shall either be 1) printed and physically filed in such a way that it will be easily retrievable or 2) saved directly to a file on one of the District servers from which it will be easily retrievable. The District will regularly delete unnecessary e-mails on the District's computer system, typically, on the first school day of each month during the school year.

Until the District's e-mail system can be equipped with such capabilities, all District e-mail account holders shall regularly update their e-mail account by either saving necessary and pertinent e-mails to a District approved storage device, printing them and filing them appropriately, or deleting unnecessary e-mails from their account. This process shall become a permanent and regular occurrence if the automatic deletion process is not implemented into the District's e-mail system
