

STUDENTS

Regulation 2270

Admission and Withdrawal

Admission of Migrant Students

Identification

For purposes of Board policies and regulations, the phrase *migratory students* shall mean students aged three (3) through twenty-one (21) who are or whose parents/guardians or spouses are migratory agricultural workers, including migratory dairy workers or migratory fishers; and who in the preceding thirty-six (36) months, in order to obtain or accompany such parents/guardians or spouses in obtaining temporary or seasonal employment in agriculture or fishing work, have moved from one school district to another.

The District will identify migrant students by including a question on the District's enrollment form. If it is indicated that a migrant student is enrolling, the parents will then be asked to complete a parent survey/family interview form provided by the State Office for Migrant-English Language Learner (MELL) Program. The Regional Migrant Center or the State Director for Migrant Education will be notified of any migrant students who are enrolled in the District. The Regional Migrant Center will be contacted for any assistance needed for the migrant student(s).

Services

School District personnel including secretaries, nurses, counselors, teachers and principals will be advised of the presence of eligible migrant students in their assigned schools to ensure that equal access to all school programs is provided. Complaints concerning the placement of migrant students will be resolved by means of the District's complaint resolution procedure for homeless students.
